DYNAMIC EXECUTIVE COMPRESSION

- The 20% Executive Check Match is based on Team Commissions Only.
- The maximum Check Match a Distributor can earn in any given week is equivalent to the volume generated in that Distributor's lesser leg.

The Commission System will search infinite levels to locate up to 7 Generations of Executives.

PERSONAL ENROLLMENT TREE

\$1,900.00 Team Commissions
\$2,120.00 Executive Check Match
\$4,020.00 Total Weekly Commissions

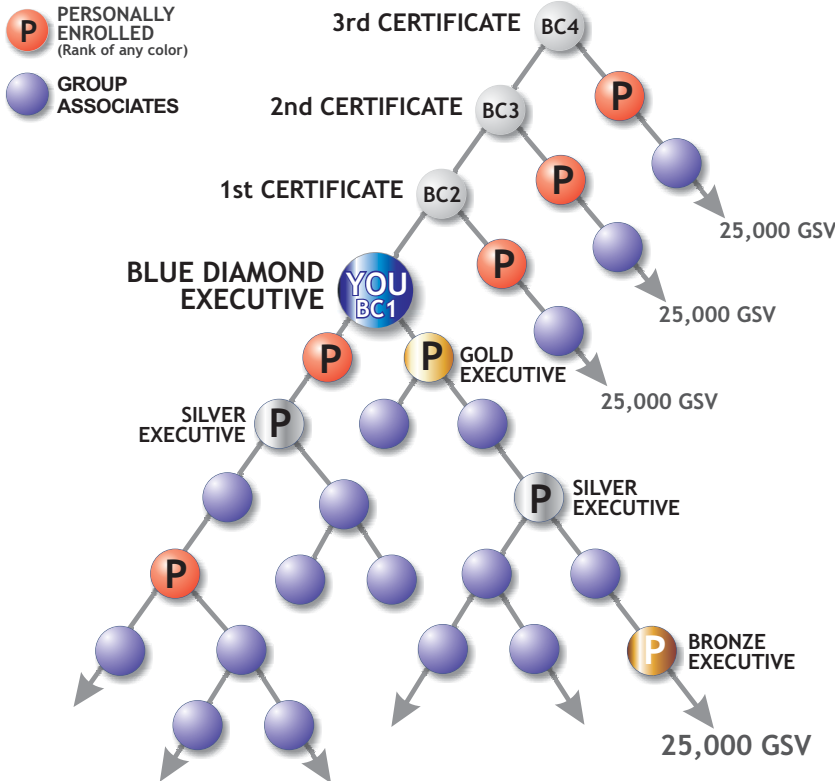

The above example illustrates a very narrow view of the Executive Check Match. Just as Jill has her own personal enrollment tree with unlimited width, each of your personally enrolled Distributors will have their own enrollment tree with unlimited width. This means that you could literally earn a 20% Executive Check Match on hundreds or thousands of individuals found within 7 generations of Executives in your Personal Enrollment Tree.

#7 LEADERSHIP BONUS POOL

Each week, 4% of total company sales is divided among qualified Ruby Executives and above as shown below. A qualified Ruby would receive one Ruby share. A qualified Emerald would receive one Emerald share and one Ruby share, and so forth.

PAY PLAN GLOSSARY

- ACTIVE** = \$120 every 4 weeks
- LEG** = One branch of your organization
- BC** = Business Center - Your business entity that allows you to earn income
- LESSER LEG** = Leg with lesser sales volume
- FOB** = First Order Bonus
- PSV** = Personal Sales Volume
- GBP** = Global Bonus Pool - Percentage of company sales shared among Qualified Consultants through Gold Executives
- RA** = Rank Advancement
- GEN** = Generation or level of pay
- RPS** = Retail Product Sale
- STRONGER LEG** = Leg with greater sales volume
- GSV** = Group Sales Volume
- TC** = Team Commissions

* Order products equaling \$120 every 4 weeks to remain Active and earn up to 10% Team Commissions, and a 20% First Order Bonus. You may also remain Active by purchasing \$60 in products every four weeks, qualifying you for up to 5% in Team Commissions and a 10% First Order Bonus.

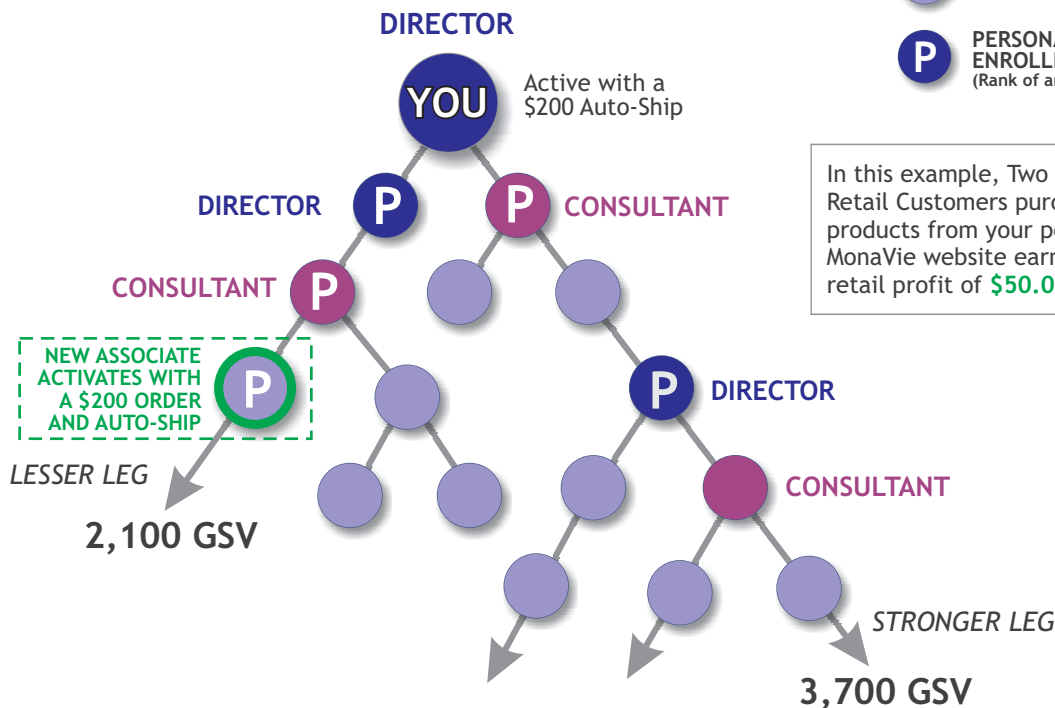

** The Company allocates 50% of total company sales volume for commissions.

In this example, Two of your Retail Customers purchased products from your personalized MonaVie website earning you a retail profit of **\$50.00**

● **Retail Product Sales (RPS)**

Based on the example above, two of your Retail Customers purchase products from your personalized website earning you **\$50.00** in retail profits during the week.

● **First Order Bonus (FOB)**

Based on the example above, YOU are on a \$200 Auto-Ship and you enroll and Activate a new Distributor with a \$200 order, qualifying you for a 35% FOB of **\$70.00**.

● **Team Commission (TC)**

Stronger Leg = 3,700 GSV
 Lesser Leg = 2,100 GSV

Based on the example above, YOU will earn Team Commission of **\$210.00** (2,100 GSV x 10%)

● **The Global Bonus Pool (GBP)**

Based on weekly company volume of \$250,000

2% of \$250,000 = \$5,000.00 to be shared among Qualified CONSULTANTS through GOLD Executives. In this example based on the weekly volume, we'll assume the company will divide 200 shares. Therefore each share equals **\$25.00** (\$5,000 / 200 shares) meaning YOU would earn one share of the Global Bonus Pool (GBP) equaling **\$25.00** by enrolling a new Distributor and by also enrolling them on Auto-Ship.

● **Rank Advancement (RA)**

You advance from DIRECTOR to BRONZE Executive by generating a minimum of 2,000 GSV in your lesser leg, qualifying you for a one time award of 8 additional shares of the Global Bonus Pool (8 x \$25 = \$200.00) for Rank Advancement.

● **Summary Of Your Weekly Earnings Deposited Onto Your MonaVie Commission Card**

- \$50.00 = Retail Product Sales
- \$70.00 = First Order Bonus
- \$210.00 = Team Commission
- \$25.00 = Global Bonus Pool
- \$200.00 = Rank Advancement

- \$555.00 = Total Weekly Commissions Earned**
